Circular No. 332—*B. ii., dated 8th August* 1936.

To

The Deputy Commissioners
and all Treasury Officers.

***Re* Account procedure in treasuries relating to Village Panchayet Fund.**

Government in their letter No. Fl. 8544—G. F. 308-35-1, dated 19th June 1936, (copy annexed) have ordered the accounting of Village Panchayet Fund transactions under a separate Head of Account and accordingly the following procedure is prescribed.

1. The existing Savings Bank Accounts in the names of the several Village Panchayets may be closed and the amounts at their credit transferred to a new head of account to be opened in the treasury accounts as noted below. The balances and differences, if any, between the figures in the Savings Bank Ledgers maintained in this office and in the treasuries for the several accounts, may similarly be adjusted on receipt of the Savings Bank Audited Statements for 1935-36, from this office.

V. Local and other funds.

14. Miscellaneous Funds.

(e) Village Panchayet Fund.

2. The detailed Savings Bank accounts which have been maintained by this office relating to the several Village Panchayets will henceforth be dispensed with and hence the detailed copies of schedules relating to these accounts need not be sent hereafter.

3. All transactions of the various Village Panchayets in the Taluk Treasuries will henceforth be shown in a subsidiary register which will be opened for the "Village Panchayet Fund" separately for receipts and expenditure respectively, and the challans and vouchers pertaining to these transactions filed along with a copy of schedule in the Taluk Office for being made available at the time of the Local Audit by the staff of this office.

4. As it is necessary however that accounts of the individual balances of the various Panchayets should be separately available, a plus and minus memorandum account for the transactions of each Village Panchayet should be maintained in a separate register as at

present but not as a Savings Bank Account. A plus and minus memorandum showing the opening balance, receipts, payments and Closing Balance for each Village Panchayet should after reconciliation with the subsidiary registers be submitted every month by the Treasuries to this office, with a certificate of verification with the departmental accounts maintained in the Taluk Office.

5. Individual pass books for the transactions of each Village Panchayet which have been maintained hitherto, will be continued to be so kept by the Treasuries the words "S. B. Pass Book" being however struck off and replaced by "Village Panchayet Fund Pass Book". The Village Panchayet clerk in the Taluk Office will also prepare a consolidated statement for the whole Taluk of the above transactions according to his books and will reconcile the figures with those on the books in the Treasury on the 1st of every month and forward the same to this office with the treasury certificates before the 10th of every month for verification with the plus and minus memo received from the Treasury.

A. N. RAGHAVACHAR,
